

<p>1-59</p> <p>Moving steam here</p> 	<p>Time for Tea</p>	<p>Frames 1-59 – Teacup with moving steam, done by shape tweening. Words will remain throughout. Music (some kind of bluegrass hopefully, something relaxing) will play.</p>
<p>60.</p> <p>Afternoon Tea Recipes By Jenny Colvin</p> 	<p>BEGIN</p> 	<p>60. – End of introduction. Teacup on right acts as entrance to main screen.</p>
<p>61.</p> <div style="display: flex; flex-wrap: wrap; justify-content: space-around;"> <div style="border: 1px solid black; padding: 5px; margin: 5px;">About Project</div> <div style="border: 1px solid black; padding: 5px; margin: 5px;">V-Day</div> <div style="border: 1px solid black; padding: 5px; margin: 5px;">Spring Tea</div> <div style="border: 1px solid black; padding: 5px; margin: 5px;">HTML Version</div> <div style="border: 1px solid black; padding: 5px; margin: 5px;">Harvest Tea</div> <div style="border: 1px solid black; padding: 5px; margin: 5px;">Holiday</div> </div>		<p>61 – Main screen. All following pages will direct back here. Each square is a link to a separate page, and includes:</p> <ul style="list-style-type: none"> <li>• About “Time for Tea”</li> <li>• HTML version for simple text online version</li> <li>• Valentines Tea</li> <li>• Spring Tea</li> <li>• Harvest Tea</li> <li>• Holiday Tea</li> </ul> <p>I’d like each square to have some kind of movement, and for the general feel to be like a bulletin board.</p>
<p>62. About Screen</p> <p>Explain how it was made, and the parts involved.</p>  <p>Description of cakes/sweets</p>  <p>Description of tea sandwiches</p>  <p>Description of scones</p>  <p>Description of teas</p> <p>Include info on button to return to main page.</p>		<p>This page serves two purposes – it tells the user how the project was made, and also explains the graphics used for the rest of the project. I would like to have a little dessert icon, a little sandwich, a little scone icon, and a teacup icon, and will use the same one on every page.</p> <p>I’d also like an icon for music suggestions.</p>

<p>63. Valentines Day Tea</p> <table border="1" style="width: 100%;"> <tr> <td colspan="2" style="text-align: center;">Valentines Day Tea</td> </tr> <tr> <td style="width: 15%;">Icons Here</td> <td>Space for recipes and info</td> </tr> </table>	Valentines Day Tea		Icons Here	Space for recipes and info	<p>All tea pages will have the same format – the name across the top, the icons down the sides, the back button in the lower right-hand corner. Each icon will have some type of information that will display in the main window when the mouse rolls over or clicks on it.</p> <p>Colors will be pink and black.</p> <p>Valentines Recipes:  Chocolate Truffles  Black Currant Scones  Mushroom Turnovers</p>
